September 16

☒ Get to change my programme to Specialised Honours in Applied Math to only Honours in Mathematics (well now does not need to take <u>Real Analysis I & II</u>)

☒ Meet Min and talk about next phases of my academic plan, now

☒ Talked to Claudio about converting DVDs to .mp4 files and how to do it

September 17

☒ Talked to Professor Paul Delany, then talked to about MasteringPhysics, who marked it (it machined marked) & labs (TA was OK but lets see my marks).

September 18

☒ Watched Frozen, well first half & did some other stuff. *

Plan to do Video & Audio

Update & Connect my GitHub Site to with Azure devops (Better send books too)

↳ For my website

- Upload and Rename Audio
- Try transferring Archive (before github came)
- Put all index.html files in AC.
- Try and do video {template3}.html.
